AutoExotics are the ultimate interior option. Whether leather or synthetic, these materials are the next evolution in custom seat design from the pioneers at Katzkin.

Choice has always been the name of the game at Katzkin, and this is no exception. Choose from the entire spectrum of Katzkin's whopping 70 leather & vinyl colors to surround your AutoExotics. As always, all rows of seating are included.

How exotic is your design? Pick inserts for a unique, custom look that compliments any interior. Select Combo to give your interior that extra kick you've been looking for.
